

# ALL A-BOARD GAME FESTIVAL

Solaris Beach Resort, Šibenik, Croatia

From August 31<sup>st</sup> till September 6th

All A-Board Game Festival is envisioned as a 'gaming holiday', an annual get-together for board gamers (and their non-gaming friends and family), featuring open gaming halls, tutorials, workshops, theme nights, tournaments – and above all – a fun and friendly gaming atmosphere.

- Along with our board game library with over 300 games, open gaming halls will be the central part of the daily schedule. The halls will be open throughout the day, every day of the festival. Our library and gaming halls staff will be there to help in any way they can, from answering questions and recommending games, to assisting with the rules.
- Workshops & Tutorials will allow our guests to learn the rules and tryout new games, as well as featuring guest designers and publishers as speakers.
- Theme nights & Party games events are designed as a friendly and relaxed way for our guests to spend their evenings. From cooperative games theme night to a party game event with random sitting option, our guests will be making new friends while having a lot of fun.
- Tournaments will range from the standard individual tournaments, couples tournaments (2vs2) and team tournaments (for gaming groups), to problem solving tournaments (deterministic setting).

Beautiful sunny Blue Flag beaches will be the basis for every day enjoyment. The resort's Sports Center, Mini Golf courts and a brand new Aquapark will provide for recreational activities. Considering that there are several Croatian National Parks and Unesco Heritage sites in the area, we will organize sightseeing trips for our guests, providing them with yet another opportunity to make new friends while having a great time.

We hope to see you there, and we will try to ensure that your experience matches our 'Sea, sun and meeples' guideline.
